Session 7. Brainstorming session – Identifying country needs and aligning with 2050 Strategy and Lagatoi Declaration

The Pacific ICT Ministerial Dialogue 2023 brought together ICT Ministers and Heads of Delegation from across the Pacific Island Countries and Territories to foster collaboration, discuss challenges, and chart a course for the digital future of the region. The highlight of the event was the signing of the Lagatoi Declaration on Digital Transformation of the Pacific.

6 groups, 1 per thematic area:

- Digital Transformation,
- Digital Innovation and Entrepreneurship,
- Digital Infrastructure,
- Digital Security and Trust,
- Digital Capacity Building and Skills Development,
- Regional Cooperation and Representation

General Guidance for

- **Alignment with Lagatoi Declaration:** Ensure that discussions and proposed actions align with the commitments outlined in the Lagatoi Declaration.
- **Action-Oriented Outcomes:** Focus on identifying practical, implementable steps that can be taken at the national and regional levels.
- **Inclusivity:** Consider the needs of all stakeholders, including marginalized groups, to ensure inclusive digital transformation.
- **Sustainability:** Incorporate environmental and economic sustainability into planning and implementation.
- **Monitoring and Evaluation:** Suggest indicators and mechanisms to track progress and measure the impact of initiatives.
